

EUROPEAN COOP CAMPUS YOUNG

Experience, cooperative education and fun, all join together in a unique and innovative campus

WHO IT IS FOR

European Coop Campus Young is for young people from 14 to 18 years old.

WHO WE ARE

European Coop Campus Young is promoted by the **Federazione Trentina della Cooperazione**, an institution that represents the cooperative system in Trentino, under the patronage of the **Autonomous Province of Trento**. The Federation provides a team of professional educators with many years of experience in training cooperative members and in cooperative education in schools that involve thousands of students every year.

WHAT WE OFFER

European Coop Campus Young offers a dynamic and interactive way to acquire **cooperative entrepreneurial competences** within a specifically designed campus. Classroom activity is combined with cooperative workshops in local cooperative enterprises, alongside real “cooptours”: purpose-built guided tours to help better understand cooperative best practices, concepts of economy and sociology, and knowledge of the natural and cultural heritage.

European Coop Campus Young is also a real opportunity to **discover and live the mountains, lakes, culture and technology of Trentino** with trekking, biking and climbing expeditions, guided visits to the UNESCO heritage of the Dolomites, sailing trips, guided visits to the Lake of Garda (the largest lake in Italy), and visits to the innovative Science Museum MUSE.

At the conclusion of the European Coop Campus Young students will be given a **certificate of participation in acknowledgement of the cooperative learning acquired**. The Federazione Trentina della Cooperazione is recognized authority for the validation of cooperative competences acquired in non-formal and informal contexts, accredited by the Autonomous Province of Trento for alternating school-work programmes.

The programme will be developed in **Italian** and **English**.
